The meeting was called to order at 7:04 pm by: Patti jo

Planning Commission members presents: Jeff Webster, Paul Birkenbach, Patti jo Raynak and Dave Kiel.

Pledge of Allegiance recited by: All

Minutes from 6-8-22 was approved by: Paul and 2nd by: Dave

Discussion /Agenda:

Went over the Burleigh Township Zoning Ordinance's. Ordinance Article 9 Section 9.02 needs a date.

We would like the board to go over the Blight Ordinance and make sure it is what they want for how

How many non-working vehicles you want in the yard?

The Planning board has approved all ordinance except for Article 9 which need a date and the blight Ordinance.

We next need to get copies of the 4x4, Keystone Mining and Marijuana ordinance and go over them to approve. Once they are all approve, we will concentrate on the Solar and Wind issues.

Our other concern was do we have a Zoning Board of Appeal board and who is on it. Patti jo stated that at one time she was along with Lynn Daniels and Mariann Dombroski. And they never did have any meetings.

One concern we do want to address is that no one has a Solar panel in their front yard that is described by the front yard ordinance and is visible from the road /but may have them on there Roof. Also, would not have any Windmill higher than 50 feet and if it fell cannot damage neighbor Yard or buildings. Commercial windmill could be what they law is. But concerned about it bothering anyone that may have a medical issue. All of these will be worked on at a later date.

Next meeting August 17th at 7 pm at the Burleigh Hall
